## COMPANY BIOS

**JOSHUA HOLDEN** (Creator & host) an award-winning international puppeteer, actor, and joy-maker based in Brooklyn and was named one of "20 Theatre Workers You should Know" by American Theatre Magazine. Joshua performed on the Broadway national tour of *Avenue Q*, was the Lead Puppeteer in *Peter Pan 360* (ThreeSixty Entertainment), and garnered an Arts Impulse award as well as an IRNE nomination for "Best Actor In a Musical" as Bill Snibson in *Me & My Girl* (Reagle Music Theatre). Joshua once worked with international street artist Banksy on his controversial piece *Sirens of the Lambs*, was the puppet wrangler for the off-broadway company of *Avenue Q* and currently works for The Jim Henson Company as one of the puppet wranglers on *Sesame Street!* A proud Massachusetts native and an alumnus of the Walnut Hill School for the Arts, he earned a B.F.A. in Acting from The Chicago College of Performing Arts, Roosevelt University.

**JEB COLWELL** (Musician) is a New York City based singer-songwriter. He was the frontman for Hector On Stilts, a pop-rock band featured on ABC's *Brothers And Sisters*. Jeb writes, records and performs with his band Colwell. In 2012 they began performing as the house band for a People's Improv Theatre sketch comedy team, for whom Jeb also created content including a video spoof of the Wham! classic "Last Christmas" ("*four-and-a-half minutes of toe-curling hilarity*" - *Huffington Post*). Along with Grammy Award winner Andres Levin, Jeb co-wrote, and performed the lead vocal, on *Cuba En Mi Corazon*, a recording produced for Up With People. Fun fact: Jeb's grandfather was Academy Award winning actor, Anthony Quinn (from whom he derives the uncanny resemblance!). [jebcolwell.com](http://jebcolwell.com)

**JESS LAZAR** (Director) is a creator. She works across mediums, including live theater, film, and digital content. Currently, she is focused on messages that make the world, and the people in it, more empathetic. As Executive Producer at VideoOut Entertainment, a production company committed to equity in the filmmaking space, she creates media that centers on the voices of underrepresented communities and helps create a platform for marginalized folks to share their untold stories. Previously, she worked for Group Nine Media launching the editorial video team for Thrillist's subdivision, Supercall. Jess is based in Brooklyn, but her hope is that her work transcends geography to bring people together in a time when common ground is more and more elusive. [jesslazar.com](http://jesslazar.com).

**DANNY GARDNER** (Choreographer) is a New York City based actor and choreographer. **Broadway:** Lucky in *Dames At Sea*. **Radio City Music Hall:** Dad / George M.
